SEMESTER HOURS CREDIT

One unit of credit is one hour lecture or recitation each week for a total of 18 hours in a semester. Three hours of laboratory work, each week or a total of 54 hours a semester are regarded as equivalent to one unit of credit.

The semestral average grade of student is computed by multiplying the number of units assigned to a course by the grade earned and the product is divided by the total units earned for the semester.

The student is in GOOD STANDING unless otherwise indicated in the transcript.

The medium of instruction at all levels of education is ENGLISH.
