ACCREDITATION

College of Southern Nevada is fully accredited by the Northwest Commission on Colleges and Universities (NWCCU)

HISTORY

The college was first founded in August 30, 1971 as Clark County Community College. The name of the institution has been changed twice, it operated as Clark County Community College from 1971 to June 30, 1991, then as Community College of Southern Nevada from July 1, 1991 to June 30, 2007. As of July 1, 2007, the institution officially became the College of Southern Nevada.

CREDITS

The unit of credit is the semester hour. A credit hour equals one classroom period of fifty minutes a week or a lab period of one to three hours a week for sixteen weeks. Courses not meeting for 16 weeks have increased meeting times per week to meet the equivalent of a sixteen week semester.

COURSE NUMBERING SYSTEM

Each course is assigned a three digit number by level

- 0-99 = Remedial or Developmental Courses
- 100-199 = First Year or Freshman Level Courses
- 200-299 = Second Year or Sophomore Level Courses
- 300-499 = Upper Division Level Courses

COURSE PREFIXES

- D = Developmental
- R = Course Number Reassigned
- G or H = Honor Courses

ACADEMIC RENEWAL POLICY

Under certain circumstances, a student may submit an Academic Renewal petition form to the Office of the Registrar. If the petition qualifies, the student may have a maximum of two consecutive semesters of coursework disregarded in all calculations regarding academic standing, grade point average and eligibility for graduation. If Academic Renewal is awarded then it must include all the courses for that given semester(s). Academic renewal can only occur once during a student's academic career.

ACADEMIC HONORS

Academic Honors identifies and recognizes students who demonstrate academic excellence.

To be eligible for Academic Honors, a student must

1. Complete at least 6 credits of 100 level and above during the eligible semester with grades on the ABCDF scale.
2. Courses must be 100 level or above, and
3. Semester grade point average and correlating designation
 - a. 3.3 to 3.59 "Honor's List"
 - b. 3.6 to 3.99 "Dean's List"
 - c. 4.0 "President's List"

ACADEMIC PROBATION

Students who have attempted a minimum of 15 credits overall and have a cumulative Grade Point Average (GPA) of 1.99 or less during the Fall or Spring semesters ONLY are placed on academic probation.

ACADEMIC SUSPENSION

Students on academic probation for two consecutive semesters are subject to academic suspension when both their semester and cumulative Grade Point Average (GPA) fall below 2.0 for the Fall or Spring semester ONLY.

GRADUATING HIGH HONORS/HONORS

Students who have earned a cumulative GPA of 3.6 or above while at CSN will graduate with High Honors. Students with a cumulative GPA of 3.4 - 3.55 will graduate with Honors. All honors students receive recognition on their diplomas, academic transcripts and in the commencement program.

HIGHLANDS COLLEGE OF MONTANA TECH

NAME OF INSTITUTION

On July 1, 1969, the "Butte Vocational-Technical Center" was designated as a State Vocational-Technical Center by the Montana Legislative Assembly. On April 23, 1987, Senate Bill 39 placed governance of the Center under the Montana State Board of Regents effective July 1, 1987. On July 1, 1994, the Center became a part of the Division of Technology of Montana Tech of the University of Montana. In January 1996, the name was changed to the College of Technology, one of the four colleges that comprise Montana Tech of The University of Montana. As of January 1, 2013, the name of the College of Technology was changed to Highlands College.

CALENDAR

From 1969 to summer term 1990, the school functioned on a quarter system based on contact hours. From 1990 to present, a semester and credit hour system is used.

ACCREDITATION

Montana Tech College of Technology is accredited by the Northwest Association of Schools and Colleges. Initial accreditation was approved in June 1984. Many programs are accredited by specialized accrediting groups.

GRADE SYMBOLS

From 1969 to the summer term of 1974, with the exception of the Practical Nursing program, formal transcripts were not recorded. Faculty for each course submitted written evaluations. In the fall of 1974, a grading scale was developed and the following used until 1979. Grade status codes were used with these grades:

GRADES:	GRADE STATUS CODES:
E-High Proficiency	W-Withdrawal
G-Proficient	T-Insufficient Time to Grade
S-Competent	D-Drop
P-Needs Improvement	C-Course Complete
H-Challenge	
I-Incomplete	
R-Recycle	

In 1979, the following evaluation key was established along with the grade status codes:

GRADES:	GRADE STATUS CODES:
A-High Proficiency	OW-Official Withdrawal
B-Proficient	D-Drop
C-Competent	CC-Course Complete
D-Needs Improvement	
F-Unsatisfactory (Repeat)	
I-Incomplete	

(KY-Added in 1989 to indicate students withdrawing before the official reporting day. This was eliminated in 1994. In Fall 1993, a semester and credit system was instituted. Traditional grading was continued. The Grade status codes were eliminated. Prior to 1985, GPA's were not calculated. To determine GPA from a contact hour system, divide the total number of grade points earned by the total number of contact hours.

Course Numbering System:

	Beginning Fall 2008	Prior to Fall 2008
000-099	Non-credit	Non-credit
100-299	Lower-division	Lower-division
300-499	Upper-division	Upper-division or Graduate
500-699	Graduate or Law	Graduate or Law
600-899	Master's or Law	Graduate or Law
700-799	Doctoral or Law	Law
800-899	Law	Law

Undergraduate courses appearing on a graduate record are not included in term or cumulative GPA or credit calculations.

Course Number Suffixes:

F	First half of session
H	Honors
L	Last half of session
S	Lab
X	Cross-Listed with Another Department
Z	Study Abroad

All other course number suffixes indicate specific sections of that course.

Method of GPA Suffixes: The GPA is calculated only from credits earned at NIU. This average is obtained by dividing the total number of quality points by the respective total hours attempted. Students will have a separate GPA calculation for undergraduate, graduate and law records.

Repeated Courses: All attempts of a course are displayed on the transcript and repeated courses are so marked.

Beginning Fall 2008: for undergraduates and graduate courses, only the last attempt is factored into the GPA. For courses in the College of Law, all attempts are averaged into the GPA.

Prior to Fall 2008: If an undergraduate student receives a passing grade on any attempt, credit is granted, and the grade of the last attempt is factored into the GPA, otherwise the last attempt counts. For graduate students, only the last attempt is used for hours completed and in the GPA. For courses in the College of Law, all attempts are averaged into the GPA.

GPA Restart: Qualified undergraduate students who leave NIU may return and, in limited situations, begin with a new cumulative GPA calculated from the point of their reentry. All original courses will remain on the transcript.

Transfer Credit: Transfer courses are evaluated and accepted for credit toward the degree, but are not included in the index (GPA), except for courses taken as Study Abroad which are included. Transfer credit appears on the transcript as a summary of hours accepted to NIU.

Good Standing: Students are eligible to re-enroll unless they have been dismissed. Academic dismissal is noted for students who are dismissed for poor academic standing. Students may be academically dismissed for failing all classes in a single semester regardless of the semester or cumulative GPA. Dismissal for non-academic reasons is not noted on the transcript.

ACADEMIC TRANSCRIPT GUIDE

University of South Carolina

ACCREDITATION: The University of South Carolina is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award degrees from the associate degree to the doctoral level. In addition to this comprehensive accreditation, the professional schools within the Columbia and Greenville campuses are individually accredited by their respective associations.

CALENDAR: The University of South Carolina follows a semester calendar which includes condensed and extended parts of term. For Fall and Spring semesters, there are 70 class days with a minimum of 2100 minutes of instruction for a standard 3 credit hour class. All nonstandard one or two day per week classes must meet the minutes of instruction requirements as part of the calendar. Regulations governing the regular academic year also pertain to the summer semester.

CAMPUS LOCATIONS: Aiken, Beaufort, Columbia, Greenville, Lancaster, Salkehatchie, Sumter, Union, Upstate.

COURSE NUMBERING SYSTEM: Courses numbered from 100 to 699 are taken at different levels for undergraduate credit. All courses numbered 100 to 499 are for associate and baccalaureate degree candidates. Courses numbered 500 to 699 may be taken for undergraduate or graduate credit and are open to advanced undergraduates. Courses numbered 700 to 899 may be taken for graduate credit only. Courses numbered 900-999 may be taken by students enrolled in the South Carolina College of Pharmacy.

COURSE SUBJECTS: The implementation of a new student information system in 2013 required modification to many departmental subjects (e.g. ABGL became ENGL) and the elimination of some course number prefixes (e.g. ENGL L101 became ENGL 101).

GRADE FORGIVENESS: Undergraduates earning a D+, D, F, or WF in courses taken Fall 2007 or later may take up to two(2) of these courses for a second time for the purpose of grade forgiveness. Both the first and second grades will appear on the University of South Carolina transcript with only the second grade, designated by Repeated (GF) to be used in the computing of the University of South Carolina cumulative grade point average.

SOUTH CAROLINA HONORS COLLEGE: The SCCC and SCHC course subject indicates courses offered by the South Carolina Honors College, which are either honors version of regular University courses or special pro-seminars. Courses tend to be in discussion format, foster strong faculty-student rapport, and frequently include intensive work on individual or group projects.

SOUTH CAROLINA COLLEGE OF PHARMACY-SCCP COURSES: The SCCP course subject indicates courses offered by the South Carolina College of Pharmacy formed in 2006 by the merger of the Colleges of Pharmacy at the University of South Carolina in Columbia and the Medical University of South Carolina in Charleston.

CURRENT GRADING SYSTEM: The current grading system includes grade symbols created after the implementation of a new student information system in Fall 2013.
