The University of Barcelona's ECTS grading scale describes individual student performance in relation to the cohort as a whole, using the results of the two previous academic years. In this scale, the students who pass a subject are divided in five groups: the top 10%, next 25%, next 30%, next 25% and lowest 10%, also called A, B, C, D and E, respectively. When a student's grade cannot be quantified, this is indicated by the abbreviation "nq".

The Bachelor's Degree in Medicine taught by the Faculty of Medicine and Health Sciences of the Universitat de Barcelona, registered in the branch of knowledge Health sciences, has a global study of 360.0 credits, distributed as follows:

- Basic training subjects: 94.0 credits
- Compulsory subjects: 242.0 credits
- Optional subjects: 18.0 credits
- Final project: 6.0 credits
